WHY RESINOL SOAP **KEEPS COMPLEXIONS CLEAR AND HEALTHY**

When you wash your face do you realize that it is not enough to remove realize that it is not enough to remove the dirt—that your skin needs a sooth-ing, healing influence to keep your com-plexion fresh and free from blemish? Ordinary toilet soaps do not assert this influence. Many of them contain free alkali which tends to dry the skin and destroy its delicate texture. Even the best of such soaps can only clean, ment this year is less than that pro-portion. In up-State counties, how-ever, the enrollment, especially of Re-publican voters approximates two-thirds of the total party vote usually they cannot heal and protect the skin.
